
Certificate in relation to air transportation by passengers with walking disabilities

We hereby certify that the our product

Twion M24 / T24

including the Lithium ion batteries fulfil the requirements of

IATA chapter 2.3.2.4

and therefore may be carried as checked baggage without restriction.

Condition precedent to meet the above listed requirement is the transportation in a way that an unintentionally switching on and damage by other luggage is avoided.

We strongly recommend obtaining the approval by corresponding airline company before commencement date respectively departure date.

This certificate does not apply to damaged or defect batteries.

Due to the frequent amendments of the respective regulations, which partly occur on an annual basis this certificate is valid until **31st December 2018**.
